

To The Wisconsin Law Enforcement
Canine Handler Association

On Saturday March 26th you somehow
brought 30 canine teams from all over
Wisconsin and one from Illinois to pay respects
to Craig Birkholz, Fond du Lac Police Officer.

Words cannot adequately express the feelings when
our vehicle approached and we saw all the beautiful
Canines + team members. Craig had to be smiling ear to ear!!!
The display of honor + respect shown to our son +
brother is deeply appreciated and the vision of you
all standing there will be forever etched in our memories
of that day. Thank you sincerely!
