During K9 maintenance trainings, various locations and resources will be provided to train the canines with in a variety of situations and environments. Some of this includes; narcotics detection in vehicles and structures, canine obedience, article searches, suspect apprehensions, area searches, building searches, vehicle extractions, tracking/trailing, muzzle work, and handler protection. Decoys will be provided for bite-work; however, handlers are also encouraged to bring narcotics training aids for detection work training. Various locations on campus will be utilized to provide varied training environments that include:

EVOC Track

- Bail out deployments
- Felony stops with long line deployments
- Vehicle narcotic searches

Steele House

- Residential suspect searches
- Residential narcotic search
- Exterior wooded area searches
- Exterior evidence recovery searches

Pole Barn

- Building search scenarios
- Narcotic searches
- Low light / no light searches
- Multiple structure / multiple suspect searches

Class size is limited to 12 teams each class to maximize training opportunities for attendees.

Instructors:

JJ Ament (New Berlin PD, K-9 Handler)
Todd Johnson (RET Milwaukee PD, Lead K-9 Unit Trainer)
George Opelt (Wauwatosa PD, Certified Decoy)
