

To whom it may concern,

I would like to nominate Deputy Fenrich W26 of the Winnebago County Sheriff's Office, for Rookie Handler of the Year.

Together with his K9 partner Imani W292, Deputy Fenrich has spent the past year working diligently toward combating the illegal sale and distribution of illegal drugs throughout our communities located within Winnebago County.

Deputy Fenrich has made himself and his K9 partner available while off duty, when there were no other K9's available or working. Deputy Fenrich has also made himself and his K9 partner available to other jurisdictions, when his specialized skills were needed in both drug detection, and K9 tracking.

Utilizing his K9 partner, area drug enforcement groups, and a team of proactive Patrol Deputies, Deputy Fenrich has taken part in numerous indepth drug investigations. These investigations have lead to numerous traffic stops and K9 deployments, search warrants on suspected trap houses, seizures of multiple forms of illegal drugs, and countless felony arrests and convictions.

Deputy Fenrich has repeatedly performed his duties as a K9 handler within the confines of the U.S. Constitution, and State of Wisconsin legislature. Deputy Fenrich's integrity is among the highest and he is extremely dedicated to our profession.

Deputy Fenrich's commitment to law enforcement, the Winnebago County Sheriff's Office, the people that make up

our communities, and his K9 partner Imani has been unmatched by others. He and Imani will undoubtedly have an excellent career together, as they continue to grow and form their partnership, in law enforcement.

Thank you for considering Deputy Fenrich for Rookie Handler of the Year.

Patrol Deputy J. Janikowski W27
Winnebago County Sheriff's Office
